Why CSA Consultants?

Summary

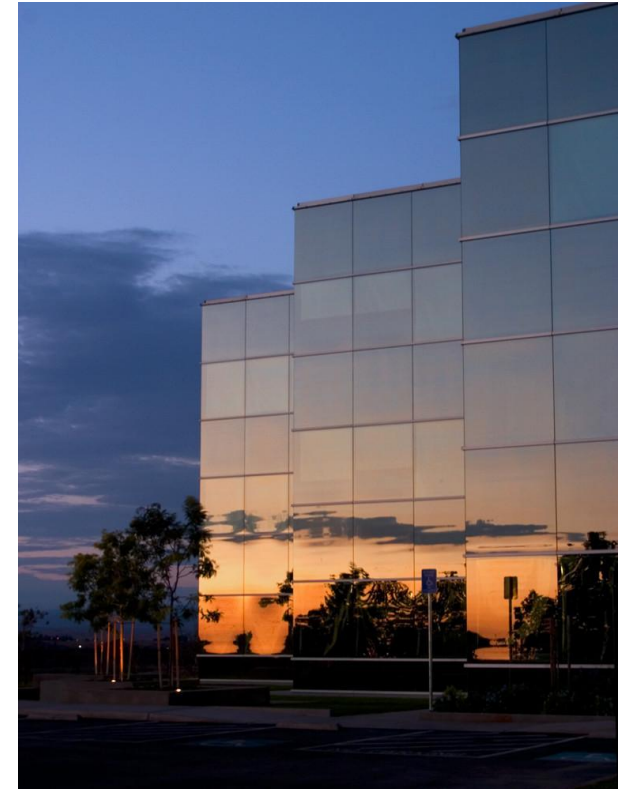

Background

We are Eastern India's leading Enterprise Solution provider company, Founded by a group of Chartered Accountants and Company Secretaries in 1991 and still owned and managed by them.

31 years of Industry relevant experience with 16 years of Expertise in Enterprise Solution in both in On Premises and Cloud model.

We have Partnered with the Global leaders such as Oracle, Microsoft, SAP, as well as Indian top OEM such as Ramco, Director iON and Tally before joining the Salesforce Ecosystem in 2020.

Within a short span of two years of being consulting partner CSA has demonstrated its ability thru 100% success rate in implementation and with all our clients have added new users after implementations. We had customers in multiple industries and mostly through our sourced leads. Majority of our Projects are already Live and continue to be with us on our annual support .
